FILTERS AND SPARE PARTS FOR COMPRESSORS AND VACUUM PUMPS

Hi,

and thank you once more for your interest in our products.

Since 1994, Oil Service Srl is one of the biggest online suppliers of filters for compressors, spare parts for vacuum pumps and industrial products.

With more than 600.000 different spare parts and 2.000 brands (from the most common ones to the most particular ones), it is the online website chosen by more than 10.000 industrial-supply companies. We offer original and alternative high-quality spare parts, and we can guarantee worldwide shipping.

On our websites you can find information, datasheets and daily updated price lists for ordinary and extraordinary maintenance of machines working with compressed air.

If you require any further information, feel free to contact us!

600.000
industrial
products

100
new products
added every day

0.7"
seconds for finding a
product from OEM code
(fastest result online)

2000
original and
alternative brand

* All prices are in euro (€). Prices do not include VAT and shipping costs. Our company is a supplier of aftermarket replacement parts and it is independent and not affiliated with manufacturers mentioned in this web site. Original equipment manufacturer (OEM) names are trademarks of each manufacturer. On parts, filters, lubricants and other products marked "alternative", "equivalent", "replacement" or "compatible" OEM names and part numbers are for reference only.
